

STALLHOLDER INFORMATION

The Forrest Public Reserves Committee invites you to be part of our 'Lovely and Local' market.
Sunday 13 June 2021, 10am – 3pm
Forrest Public Hall, 14 Grant Street, Forrest.

This market is to showcase the high quality produce, skill, creativity and friendliness of the people in our area. It is also an opportunity for local community, sporting or interest groups to raise funds. The market coincides with the RunForrest event, which generally attracts around 3000 runners and supporters to our town.

STALL SITES AND PARKING

- Stall sites will be inside and outside the hall, and will be determined by the committee.
- For outside stall sites, ensure your stall is equipped for all weather.
- Supply your own power to your stall. If you require power from the hall there will be an additional charge.
- Some outside sites have space to park a small vehicle, with prior notice. Otherwise, parking is available in the school grounds adjacent.
- All stallholders should be set up by 9.30am for a 10am start, so vehicles are parked and not moving through the festival grounds once visitors begin arriving.

FEES

Fees are \$30 per stall. This MUST be paid prior to the event in order to secure a position, and is not refundable. Proceeds from fees will help fund the ongoing maintenance of the hall.

SUSTAINABILITY

The market is committed to being a sustainable, 'waste-free' festival. Please use compostable or reusable tableware, avoid using plastic or single-use packaging (including plastic straws) and limit the amount of landfill waste. You must take all your own stall waste away with you.

Please complete the form overleaf if you would like to have a stall.

Please email me if you have any queries.
